Campbells Foodservice portfolio of Macaroni & Cheese products are perfect on their own or as a great base to customize and create multiple menu offerings!

▲ Mac and Cheese Bar

This is a fun idea that allows patrons to customize and create their ultimate Macaroni & Cheese signature dish! Here we have included broccoli florets, grape tomatoes, green olives, artichoke hearts, green onions and crumbled bacon. Top with favourite sauces such as BBQ or hot sauce. The sky is the limit with topper options!

▲ Mediterranean Mac & Cheese

Sweet roasted tomatoes, rich Kalamata olives and zesty feta cheese create a warm and inviting version of Mac & Cheese.

▲ Bacon Mac & Cheese

The addition of bacon, arugula and tomato, makes this BLT Mac & Cheese a sure hit with any age group.

▲ Mushroom Mac & Cheese

A mix of sautéed mushrooms adds a meaty texture and earthy flavour to this vegetarian Mac & Cheese.
