A rich beef broth made with random onion slices and a hint of sherry, finishing with a soft, buttery note.

- Easy to prepare: 1:1 Reconstitution with water (or milk for seafood chowders).
- Our split pack tray results in quicker preparation time as it allows you to make half batches.
- Our soups start with stocks, seasoning and other ingredients simmered to perfection. Vegetables are added last and therefore are cooked for the first time when you prepare the soup in your kitchen.
